SPAY / NEUTER CERTIFICATE

PET OWNER: If cost is a factor when deciding to have your pet altered, the Foundation For Animals (FFA) offers this financial aid. FFA can help only to the extent that our present funds allow. You must assume the remainder of the cost.

IMPORTANT ADVANTAGES OF OWNING AN ALTERED PET ARE:

1. You will see a reduction in roaming, aggression, barking and other destructive behavior.
2. Your pet will have a statistically longer, healthier lifespan.
3. License fees are usually reduced for altered animals.
4. Best of all, animal shelters will not have to destroy so many unwanted litters.

THIS CERTIFICATE IS INVALID IF NOT USED WITHIN 6 MONTHS FROM DATE.
